Subject RE: Kin-Buc: Consent Decree Distribution

David:

I have not distributed the CD to anyone outside of my client. I am concerned that you refer to the CD as a "draft." Are you planning to request still more changes?

Subject: Kin-Buc: Consent Decree Distribution

Dear Counsel:

As we have discussed, please refrain from further distribution of drafts of the Consent Decree in this case until we have a definitive lodged draft. Otherwise, we risk inconsistency and confusion that may lead to unnecessary or irrelevant comments, conflict, or delay. If there are inquiries, you can respond that the final proposed CD will be available when it is lodged with the Court for public comment and that notice of lodging will be published in the Federal Register. Please let me know if you have not or believe you cannot abide by these parameters. Thanks.

David
